**PRESENTATION**

**Bill Gomes, AICP**

**Director of the Mifflin County Planning and Development Department**

Mr. Gomes will present information on the process that Mifflin County has undertaken to address the inadequate internet service in their county. An Internet Summit was held on July 27, 2016, and the Mifflin County Internet Advisory Committee was formed. The Committee will be surveying businesses and residents to collect information on their internet service and needs with the help of Walt Whitmer, Penn State Cooperative Extension Service. Other Committee activities include compiling mapping data, identifying grant opportunities and receiving updates from carriers.

This presentation is in response to the January 16<sup>th</sup> discussion on the update of the Regional Comprehensive Plan and the proposed goal, promoting the expansion of internet service in the region.
