*The populations of the State Correctional Institutions at Rockview and Benner Township historically were counted as part of Benner Township's population. However, in the 2010 U.S. Census, the prison population was counted separately and a specific Census Tract geography was created. Therefore, to compare a more accurate population growth for Benner Township, the prison population as recorded in the 2004 Nittany Valley Region Comprehensive Plan was extracted from Benner Township's 2000 U.S. Census population.
