Important Information for Local Hunters!

Centre County Treasurer, Rich Fornicola, reminds hunters that 2016/2017 hunting licenses will go on sale at the Treasurer's Office in the Willowbank Office Building in Bellefonte and at other outlets across the county beginning June 20. In addition, he reminds hunters that Monday, July 11 is the first day the Treasurers' Office is allowed to accept antlerless deer license applications from Pennsylvania residents. The Pennsylvania Board of Commissioners voted to allow nonresidents to apply the third Monday in July, which is July 18. This change shortens the time between resident and nonresident application periods by one week. First round "bonus tags" will be available August 1.

The cost for residents to apply is \$6.90, which is a \$.20 increase over past years. As a reminder, all applications must be submitted in the qualifying pink Game Commission envelope. The two WMUs located in Centre County are 2G and 4D. Wild Life Management Unit 2G has an allocation of 21,000 licenses and 4D has an allocation of 34,000.

Lifetime License holders are reminded to renew their lifetime license (at no cost) in order to receive their 2016 antlerless deer application.
