Eight Companies with headquarters located in the Pennsylvania Business Central readership area were named on Inc. Magazine's 2016 list of the 5000 fastest growing private companies in America.

The 35th annual list is organized according to the percentage of revenue growth over the past three years.

The companies listed include: Fresh Roasted Coffee (374), Sunny Days In-Home Care (489), TMM Data (1775), I.C.E. Service Group (2542), COE Distributing (3953), Advanced Powder Products (3919), Diamondback Truck Covers (4095) and Venetia Partner (4502).

Phillipsburg is proving to be fertile ground for privately owned companies as TMM Data, Advanced Powder Products and Diamondback Truck Covers all call the small-town in Centre County home.

This is the fourth consecutive year Diamondback Truck Covers, which designs, manufactures and sells truck covers and accessories for pickup trucks, has been featured. The company has seen 70 percent growth in the past three years and made \$6 million in 2015.

Advanced Powder Products manufactures metal components for medical, firearm and industrial applications using 3D metal printing and metal injection molding. This is the first year the manufacturer has been featured.

TMM Data made the list last year at 657. The past three years has seen the company grow by 210 percent with 2015 revenue of \$3.1 million.

"We are excited and honored to be on the Inc. 5000 list for the second year in a row," Bob Selfridge, TMMData founder and CEO, said in a release. "I am incredibly proud of TMMData's continued drive to provide our clients with software products and services that help them reach the highest level of data integration and analysis possible. We grow when our clients succeed, and this 2016 Inc. Magazine designation is a testament to our staff's dedication to client success."

The data integration software company has expanded into 11 industries over the last three years.

Fresh Roasted Coffee, which ranked at 384 last year, continues to top the list in our readership. This year they also ranked as the 23rd fastest growing food and beverage company and the eighth fastest growing company in Pennsylvania.

Also included was AE Works, who ranked at number 3985. AE Works is a certified B-Corp with branches in State College and Pittsburgh.

In total, Pennsylvania had 185 companies on the list, 78 of which were in the top 50 percent.

The title of fastest growing company in Pennsylvania went to PANTHERx Specialty Pharmacy in Pittsburgh. Overall the company ranked at number one in health companies and nine in the country. The pharmacy provides medicine and care for patients in all 50 states and specializes in rare diseases such as HIV/AIDS, multiple sclerosis or hypophosphatasia. Launched in 2011, they have seen 13,381 percent growth in the past three years and had a 2015 revenue of \$42.4 million. ■
