Dear Neighbor,

The eight annual **Give 'Em 5! Run for Veterans** is dedicated to honoring the sacrifices and commitments of our community's brave veterans. Please join us in this great opportunity to support our local veterans!

Funds raised from this event will be made available to veterans in need of financial assistance through the Veterans Assistance Fund, a non-profit fund created specifically for helping our community's warriors in their time of need. All disbursements of the fund are for eligible veterans and must be approved by the Veterans Assistance Fund Committee.

We hope you will make a monetary or in-kind donation to support this event. We also welcome volunteers from your organization or group. The race will be advertised to local running groups, newspapers, radio, and television stations.

- **Platinum level sponsors** donating a value of \$500 or more will have their company logo printed on the race t-shirt (must be received by October 15), be acknowledged on a sponsor board on race day, and receive a certificate of appreciation to display proudly in their business.
- **Gold level sponsors** donating a value of \$250 or more will have their company name printed on the race t-shirt (must be received by October 15), be acknowledged on a sponsor board on race day, and receive a certificate of appreciation to display proudly in their business.
- **Silver level sponsors** donating a value of \$100 or more will be acknowledged on a sponsor board on race day and will receive a certificate of appreciation to proudly display in their business.

In-kind donations that will help make this event a success include door prizes, race awards, race bag giveaways, refreshments for race participants, and equipment and supplies to use during the race. To find out what we need, please contact Deloris at the addresses below.

Our service men and women sign on the dotted line knowing they may have to make the ultimate sacrifice. Please consider making a contribution to let them know you appreciate their selfless service to our community and to our nation. Thank you for your consideration and support.

Sincerely

Deloris Brobeck
