

## LEGAL NOTICE

The Voting Accessibility for the Elderly and Handicapped Act (Public Law 98-435) was enacted by the United States Congress for the purpose of “improving access for handicapped and elderly individuals to registration facilities and polling places for Federal elections.”

In conjunction with the Act, the Centre County Board of Elections will offer an “Alternative Ballot” to those elderly (65 years of age or older) and handicapped electors whose polling place has been determined to be inaccessible to them due to architectural barriers.

This is to inform the electors of Centre County that no polling place has been judged inaccessible to the elderly and handicapped.

A Telecommunication Device (TDD) is provided for hearing/speech impaired by calling 1-800-654-5984 and requesting to speak to the Bureau of Commissions, Elections and Legislation at 717-787-5280.
