

# The County of Centre

## PROCLAMATION

NUMBER 15 OF 2018

**WHEREAS**, Community Action emerged from the heart of President Lyndon B. Johnson's 1964 proclamation of America's "War on Poverty" where battles must be won in the field, in every private home, in every public office, from the courthouse to the White House; and

**WHEREAS**, Community Action has put a human face on poverty for 54 years by advocating for limited-income citizens without a voice, so that they may enter the middle class and reach for the American dream, replacing their despair with opportunity; and

**WHEREAS**, Community Action builds and promotes economic stability as an essential aspect of enabling and enhancing stronger communities, which in turn promotes self-sufficiency, ensuring that all Americans are able to live in dignity; and

**WHEREAS**, Community Action has enhanced the lives of millions of people across America by providing essential, life-changing services and opportunities such as affordable housing, economic development, health care, energy assistance, natural disaster relief and recovery; and

**WHEREAS**, Community Action already serves 99% of America's counties in rural, suburban, and urban communities and because it is right, because it is wise, and because, in our hearts and minds we believe it is possible, we will conquer poverty in our lifetime; and

**WHEREAS**, Community Action will continue to implement innovative and cost-effective programs to improve the lives and living conditions of the impoverished; continue to provide support and opportunities for all citizens in need of assistance; and continue to be a major voice of reason in establishing welfare system reforms;

**NOW, THEREFORE, BE IT RESOLVED** the Centre County Board of Commissioners do hereby proclaim **May 2018** as "**Community Action Month**" in Centre County and encourage all citizens to become familiar with the services and benefits offered by career and technical education programs in our County, and to support and participate in these programs to enhance individual work skills and productivity.

**ADOPTED** this 8<sup>th</sup> day of May 2018.
